I assisted Rick Warren in putting the 40 Days of Purpose together. It's been exciting working with Gary Kendall to create a spiritual growth initiative that churches can use in a six week series to speed up their growth in missional living. Gary is a veteran practitioner in the local church. I think the resource is great for any church committed to the Great Commission and the Great Commandment.

Created to Live SENT

30 DAYS CAN CATALYZE YOUR CHURCH TOWARD MISSIONAL LIVING

The goal is to grow to be like Christ. Most discipleship approaches develop the heart and/or knowledge but omit the need to demonstrate that love in service in the community. We are learning that true discipleship integrates service and mission. In reality the LIVING SENT lifestyle is the life Jesus lived: SENT by God to serve on Mission. Living SENT combines loving God, loving people and living out the love of Jesus. It is living on mission on purpose every day! The CREATED TO LIVE SENT series reinforces the Truth and the lifestyle with messages on Sundays, group studies during the week and daily devotionals.

The material is all based on the book, backwards: Created to Live SENT by Pastor Gary Kendall.

It is the Truth of the Gospel integrated into the reality of a lifestyle. God SENT His Son, Jesus, Jesus SENT His followers and through His Holy Spirit is still compelling believers today to LIVE SENT.
